

THE DEMAXTORE OPERATING SYSTEM

Six Modules. One Coordinated Process.

From supplier sourcing to shipment execution, every stage of the import journey is connected through the DeMaxtore Operating System.

Before DeMaxtore

- RFQs in Emails · Documents in Folders · WhatsApp Follow-Ups
- Multiple Systems · Low Visibility · Operational Chaos

With DeMaxtore

- Connected Workflow · Shared Data · Real-Time Visibility
- Centralised Operations · One Source of Truth · Full Control

✓ Faster Sourcing | ✓ Better Supplier Competition | ✓ Multi-Supplier Procurement | ✓ Shipment Visibility | ✓ Document Control | ✓ Freight Intelligence

From RFQ to Final Delivery. Everything Connected.
